

# 15 TEAMS START IN DETROIT'S FIRST SIX-DAY BICYCLE RACE

## YANKEE FLYERS MADE FAVORITE

Bobby Walthour, With Carl Stockholm, Expected to Repeat Chicago Feat.

Detroit's first six-day bicycle race will get under way at 9 o'clock tonight when 15 teams will leave the mark on the new pine saucer at the Olympia in answer to the starter's gun.

Since there have been no six-day races in Detroit there are no six-day fans here but enthusiasts of the sport are rapidly developed.

### AMERICANS FAVORED.

Although most of the riders are from the other side, the team generally favored to win here is the American combination of Bobby Walthour Jr. and Carl Stockholm.

It is a new team. Walthour won the recent six-day race in Chicago and Stockholm finished third. Walthour has won six six-day races and Stockholm has captured two.

### ANOTHER STRONG TEAM.

The Belgian-American team of Gerard Debaets and Tony Beckman is expected to give Walthour and Stockholm a battle for honors all week long.

Beckman is one of America's best six-day riders while Debaets is one of the strongest, if not the strongest, foreign rider in the grind.

Eddie Madden and Harry Moran are a team of international fame. They have both competed in Europe.

Another team of international fame is Otto Petri and the Lands, is another good combination.

The team covering the most miles in the race will be the winner. The track will be in laps to the mile.

If any teams are tied going to the final hour of the race Saturday night the race will be decided on a point basis with sprint every mile during the race.

### SPRINTS EVERY DAY.

There will also be three series of sprints during the race every day. The first will go on at 10 o'clock tonight, the next at 10 o'clock tomorrow morning and the third at 10 o'clock the day after tomorrow.

These sprints first place will be 6 points, second 4 points, third 2 points and fourth 1 point.

The winner in these sprints is always awarded and provides plenty of excitement.

Every afternoon the building will be thrown open to women free, in the words of every day get ladies day.

The riders in the race get a certain amount for every day that they ride and at the end of the week they divide the \$10,000.

The riders are on the track all the time with the exception of a couple of hours every morning when the windows are all thrown open and the building cleaned. They are riding as soon as the building is cleaned.

### FIRPO MATCHED TO FIGHT ROSEN

Substitutes for Billy Shaw, Forced to Cancel Bout by Blindness.

Pete Firpo was picked yesterday to fight Clarence Rosen at the Moose Temple in a 10-round bout, Friday night. They are Detroit bantamweights.

Firpo was substituted for Billy Shaw, also of Detroit, who was forced to cancel the match because of blindness.

Shaw fought Pete Zivic, of Pittsburgh, at the Olympia last Wednesday night and some resin from Zivic's glove became lodged in his right eye, causing temporary loss of sight.

Firpo's fight will mark the third meeting between Firpo and Rosen. At the end of the first bout Elmer (Slim) McClelland, the referee, awarded the decision to Rosen.

The verdict was widely disputed and Rosen and Firpo were rematched. Rosen won by a knockout.

Firpo recently returned to the ring after an absence of a year. In his comeback campaign he has fought three times, winning each bout.

In preparation for his meeting with Rosen, Firpo boxed four rounds at the Tuxedo A. C. yesterday with Jimmy McLarnin, the Pacific Coast lightweight, who is training here for his fight with Billy Wallace, Cleveland, at the Olympia, Nov. 23.

## IOWANS COME BACK FIGHTING

Their Coach Criticized, Hawkeyes Hand Crushing Defeat to Wisconsin.

MADISON, Wis., Nov. 12.—(AP) Flashing a brilliant attack backed by a defense that proved impenetrable, Iowa spoiled Wisconsin's homecoming celebration today by downing the Badgers, 16 to 0, here today.

To nearly 40,000 fans it was the Hawkeyes' answer to recent criticism of their coach, Burt Ingwersen, for they fought with a newfound fury that repeatedly swept aside the vaunted Badger line.

This rejuvenated Hawkeye strength showed itself at the outset principally in the attack of the dashing, plunging Armlie on the half and supported by quick moving and effective interference and a line that would not give.

After a scoreless first period the steady pressure of the Hawkeye drive pushed the Badgers toward their own goal until they stood, after an offside penalty, on their own 11-yard line.

HAWKEYE SAFETY. Crofoot was back for a push formation play when a bad pass from center rolled over the Wisconsin goal line on the Badger captain fell on it for an Iowa safety.

In the second period Iowa surrendered the ball on downs on Wisconsin's 17-yard line after end runs had failed. Rebolzo at fullback dropped back to punt. His kick was blocked and Iowa recovered.

Moore downing the ball on Wisconsin's one-yard line. The plunging Armlie promptly took it over for a touchdown and Glasgow, Iowa half, place kicked goal.

Going into the last period the Badgers displayed a bit of power in drives by Rose, Cuisiner and Crofoot. The play was on Iowa's 13-yard line and with end runs stopped. Rose sought to gain a touchdown with a forward pass over left end. Grimm, Hawkeye end, snatched the ball and raced down the sidelines for 95 yards and a touchdown. Glasgow place kicked.

ARMILIE IS STAR. In gains from scrimmage the Iowa backs showed themselves superior, gaining 141 yards, principally on the 86 Armlie got and the 37 yards Glasgow added. Wisconsin netted 120 yards on rushes.

## DOG SHOW LIST MOUNTS TO 250

Many Outsiders in Specialty Exhibition at Convention Hall.

With an entry of more than 250 dogs the combination specialty show of the Boston Terrier and Pekinese Clubs at Convention Hall next Sunday promises rank with any that have been held in the past.

Dogs are coming here from Pittsburgh, Buffalo, Toronto, Toledo, Columbus and other outside places and breeders in Flint, Saginaw, Lansing and other Michigan points have named their best ones.

Detroit dogs will be in the majority and in view of the fact that so many of them won at the open shows last season the visitors will have to display real class to win.

It is unfortunate that the Chicago specialty shows are on the same day for many that will be there would have come here," says H. C. Neitzel, treasurer of the Boston Terrier Club of Detroit.

Benching will be the same as at the open shows and judging will start at 10 o'clock in the morning and continue until that hour in the evening. The show room is on the Cass avenue side of Convention Hall.

Harry Osborne, of Chicago, will judge the Boston, and William McCadden, of Detroit, will pass upon the Pekinese. An interesting feature of the show will be the first appearance in the open ring of the winners of the puppy matches held since April.

Some splendid youngsters have worked their way through these competitions and it is the opinion of fanciers that not a few of them will go on to their championships, which is the canine badge of near-perfection.

## SPARTAN HARRIERS BEAT NOTRE DAME

Loren Brown Comes in First in Five-Mile Test.

EAST LANSING, Nov. 12.—(AP)—Michigan State's undefeated cross-country team continued its string of triumphs here this morning at the expense of Notre Dame University, winning, 21 to 34.

Loren Brown, State ace, was an easy first, running the five-mile course in 27:02.1. He was followed by Willmarth, also of State. Brown had a lead of 250 yards on Valenciennes, Notre Dame star, who was in third place.

Roosten of State, who finished second to Brown against the University last week, was in sixth place, just behind Captain Wylie of State.

The men finished as follows: Brown, State, first; Willmarth, State, second; Valenciennes, Notre Dame, third; J. Brown, Notre Dame, fourth; Captain Wylie, State, fifth; Roosten, State, sixth; Crowe, State, seventh; W. Brown, Notre Dame, eighth; Roberts, State, ninth; Brennan, Notre Dame, tenth; Schukert, DeGroot, Hopkins, Callahan and Lader, all of Notre Dame, failed to place in the first ten.

The entire State team of five men made better time than the University yesterday by Lange, of Detroit City College, in winning the State intercollegiate cross-country run.

UP TUESDAY NIGHT, Caldwell had been justified in modestly picturing himself in Fishwick's role, but any regret he may have felt that the eleventh hour imposition of the ineligibility rule had benched him, was completely submerged in pulling for his team.

Cox kicked the point which broke the tie and again Caldwell joined most of the 80,000 spectators in unmelodious but appreciative acclaim, which billowed and surged above the bowl again as Hammersley marched to the second touchdown. After the game Caldwell refused numerous offers to write a description of the game as viewed from the bench. He also refused all attempts at interviews.

## Amateurs Will Clash With Semi-Pros Today

Second Qualifying Round of National Challenge Cup Will Be Played This Afternoon.

By FRED BROOMFIELD.

DETROIT'S amateur soccer players again battle semi-pro and professional opposition in the second qualifying round of the National Challenge Cup Sunday.

Highland Park, amateur entry from the Detroit American League, has been assigned the most difficult task on the program in playing the semi-pro Gar Woods at Solvay Park. D. S. R. invades Packard Park for the first time this season to play Celtics, and Clark Park F. C. travels to Flint to oppose the Buicks. In addition to these cup games the three Detroit leagues have scheduled several games scattered over the city.

Holleys and All Scots are replaying a tied league game at Packard Park where, in case of a tie at the end of regulation time, they must play overtime to a decision.

TO A DECISION. Swedish-Americans have leased an enclosed field three blocks from the end of the West Ford carline and they are making their debut there in opposition to Solvay F. C. Irish-Americans and Fay-Millers are sharing the double-header at Solvay Park. These games are scheduled by the semi-pro Western Inter-City League.

Amateur fans can choose their entertainment from interesting games arranged by the Detroit American League at Ford Field, Atkinson Park, Northwestern Field and Clark Park.

Michigan entries in the National Challenge Cup are gradually being eliminated and after today's games it will not be difficult to spot the teams strong enough to survive the next round, which will determine those possessing a good opportunity to play Holleys or Swedish-Americans in the first round proper, to be played in January. Holleys and the Swedes were exempted until the first round, the former through its brilliant showing last season, and the Swedes by special permission granted by the United States Football Association.

AT OTHER PARKS. Gar Woods, Celtics and Flint Buicks, should enter the third round, but Highland Park's aggressiveness, and the strong D. S. R. team will produce unusual exhibitions at Packard and Solvay Parks.

Clark Park's 3-2 victory over the Cougars who scored two goals for their opponent, does not indicate another win at Flint Buick's expense. The Buicks with eight straight victories in the semi-pro league, possess a well-balanced team and should have little difficulty in stopping Clark Park.

Gar Woods will have their strongest team available for the game at Solvay Park. C. Boyle, Tanner and Cochrane will represent the half back line for the first time this season. Wourtez, Stevenson, Renfrew, Steel and Richardson are expected to be on attack, and John Orr, Melvin, Currie or Graham will be the last line defense.

The following exhibition games have been arranged for Thanksgiving Day: Western Inter-City League vs. American Hungarians, of Cleveland, at Solvay Park; Detroit Professional League vs. Detroit American League, at Packard Park; Gar Woods vs. Cleveland, at Cleveland; Rangers vs. Rovers, junior teams, at Packard Park.

PURDUE RUNS WILD AGAINST FRANKLIN

Harmeson Travels 72 and 55 Yards to Touchdowns.

LAFAYETTE, Ind., Nov. 12.—(AP)—Purdue's second string backfield, performing behind a capable reserve forward wall, scored seven touchdowns with little effort to defeat Franklin, 46 to 0, here today.

Harmeson uncorked two of the most sensational runs of the day, one of 72 yards and another of 55 yards for touchdowns, the second after intercepting a Frank line pass. Bill Miller, fullback, punched a Franklin line three times for touchdowns, while Caraway took a pass from Harmeson for his share of the scoring. Guthrie broke through for a 60-yard dash through a broken field to contribute his six points.
